<p>Two-way transfers can be authorized when:</p> <ul style="list-style-type: none"> <li>a. The Member is on both accounts listed above, or</li> <li>b. This form is signed by <i>both</i> parties when the Members are <i>different</i> on the accounts listed above</li> </ul> <p align="center"> <input type="checkbox"/> ONE-WAY Transfers  <input type="checkbox"/> TWO-WAY Transfers         </p>			
<p>SEE / JUMP will also be enabled when the Master Member is the same on both accounts. This allows members to log into one account and 'jump' to the other account without logging out. Transactions within both accounts can then be viewed under only one login. This does not change or affect login credentials for either account.</p> <p align="center">SEE / JUMP can only be enabled when the Master Member is the same on both accounts.</p>
